

SATIROF

Unit 0 - P.4-5

Hello, everyone. I'm going to talk about New Zealand.

Please look at the map and table below. New Zealand is south-east of Australia. It is only 30 percent smaller than Japan, but its population is only 4.5 million.

There are many places to visit in New Zealand, such as Lake Tekapo, Milford Sound, and Hobbiton. Many people go to New Zealand for the scenery. There are also a lot of sheep there.

Thank you
